RECYCLE RIGHT CLINTON COUNTY - The sustainability of our recycling program is dependent on collecting high quality materials without unacceptable materials or trash. We need your help, please do your part!

Lithium Batteries

Lithium batteries can now be found in almost every rechargeable device we use. They are used to power smart phones, laptops, digital cameras, power tools, toys, e-bikes, electric vehicles, etc. They come in all different shapes and sizes and if not properly used or cared for can cause fires or explosions.

Lithium batteries typically have a 1 to 3 year useful life. At the end of their life, lithium batteries and devices containing these batteries should not go in household garbage or recycling bins. These batteries and battery containing devices should be taken to a battery specific recycling program or household hazardous waste collection event. Big box stores such as Lowe's, Home Depot and Staples may also offer recycling options for lithium batteries.

Lithium Battery Safety Tips:

- Only use the battery that is designed for the device.
- Only use the charging cord that came with the device.
- Do not charge a device under your pillow, on your bed, or on a couch.
- Do not place your device in direct sunlight or keep them in hot vehicles.
- Most batteries are not intended to be removed from these devices. If it's hard to remove, leave the battery in the device.
- Tape the exposed terminals of batteries (or alternatively, bagging) which will help prevent the battery from rubbing against other batteries, metals or potentially flammable materials.
- Do not store dead or discarded batteries in piles.

The Clinton County Solid Waste Authority will be sponsoring a residential household hazardous waste collection event this upcoming summer. This event will be a good opportunity for Clinton County residents to recycle their re-chargeable batteries.

Plastic Bag Recycling Reminder

If you use plastic bags to shuffle your recyclables to the drop-off site, please empty your recyclables out of the plastic bag and take the bag with you. Plastic bags can be recycled at several large grocery stores in the County. If you have questions regarding our plastics recycling program, please feel free to call us!

Curbside Recycling: An Overview

Below you will find a table that describes what we collect via our curbside recycling program. The table also outlines how to prepare the material for recycling and what materials are not accepted. Information regarding our municipal recycling drop-off sites can be found within this newsletter or on our website at www.waynetwplandfill.com.

MATERIAL	WHAT CAN BE RECYCLED	HOW TO PREPARE FOR RECYCLING	WHAT CAN'T BE RECYCLED
Newspaper	Clean newspaper (including inserts).	Separate from mixed paper.	Wet or dirty newspaper.
Mixed Paper	Office paper, junk mail, phone books, magazines, catalogs, glossy paper.	Separate from newspaper.	Laminated or coated paper, tissue paper and paper towels.
Paperboard	Clean food boxes, paper towel rolls, shoe boxes, tissue boxes.	Include with mixed paper.	Milk cartons, juice cartons, ice cream containers and similar materials.
Cans	Aluminum, steel, & tin food and beverage cans.	Rinse, leave labels on.	Pie plates, aluminum foil, pesticide or herbicide spray cans.
Plastic Bottles & Jugs	Plastic bottles & jugs, coded #1 - #7	Rinse, remove lids, leave labels on.	Toys, motor oil or chemical bottles.

Curbside Recycling Collection Notes:

- ◆ Recycling material should be placed at the curb by 7:00 am on the day of your scheduled pick-up.
- ◆ If you put out more recycling than fits in your blue or green recycling bin, please mark it "Recycling".
- ◆ If your pick-up day falls on a major holiday, your recycling material will be picked up on the next business day.

Curbside Recycling Application

Have you considered the convenience of curbside recycling? The Authority will stop by your home every two (2) weeks and pick up your recyclables for a nominal **annual fee of \$72** (\$6.00 per month). Annual fee will be prorated based on service start time.

The materials we collect include: aluminum & tin cans, newspaper, magazines, junk mail, paperboard and plastic bottles & jugs. (The Authority is under contract with the City of Lock Haven to provide this service to city residents. If you live in the City, please continue to put your recyclables out on your curbside on the regularly scheduled dates. If you need a recycling bin, call City Hall at 570-893-5900.)

Changes At The Wayne Township Landfill

As part of expanding the landfill, plans were drawn up to build a new scale house. The decision to move forward with this plan happened in late 2021. The new scale house was built and opened in late September 2022. This will allow for further expansion of the landfill. The new scale house also allows us to be more efficient, moving customers in and out more quickly. With this move, a few changes have taken place. Please see below:

- ◆ Traffic patterns are very different. To enter the new scales everyone will follow Landfill Lane past our administrative building, then follow the concrete road left, just past the First Quality Building on the left.
- ◆ All mulch and brush/yard waste customers will be required to go across the inbound scale. The weighmaster will then direct you how to get to where you need to be.
- ◆ There is no parking at the new scale house so everyone should remain in their vehicle.

We would also like to take the time to make everyone aware of the price changes starting in January.

- ◆ Self Dump – Standard Size \$30.00
- ◆ Self Dump – Oversized \$50.00
- ◆ Per Bag Rate \$5.00 per bag

Please contact us at 570-769-6977 or visit our website at www.waynetwplandfill.com for more information.

Wayne Township Landfill John B. Hoy, Jr. Memorial Charity Golf Tournament

The Authority would like to take this opportunity to thank all participants and sponsors of this year's tournament which raised \$22,166 for the **Lock Haven Area YMCA-Pool Project**. Congratulations to everyone involved. The Authority has been truly blessed with loyal customers, vendors and friends which have allowed us to donate over \$224,000 to local charities in our neighborhood over the course of the last 21 years. Thank you! If your organization is interested in being a beneficiary of our tournament for 2023, please feel free to contact us at 570-769-6977 or watch our Facebook page for updates.

City of Lock Haven Curbside Recycling

The City of Lock Haven is pleased to offer FREE curbside recycling to all City Residents. Lock Haven has three separate collection zones, with pickups every other Tuesday, Wednesday, and Friday, depending on the zone you live in. Materials that can be collected include: Paper, Aluminum/Bi-metal cans, and Plastics Bottles & Jugs (#1-#7). Please remember to keep your newspaper separate. City residents can pick up a recycling bin at City Hall, 20 E Church St, between 8:30 a.m. and 4:30 p.m. Monday through Friday.

If you have any questions about recycling in the City of Lock Haven, please contact Kasey Campbell at 570-893-5612, or visit the City's website at www.lockhavenpa.gov.

RECYCLING FACT: Since 2005 nearly 275,000 tons of the municipal waste generated in Clinton County was recycled. This saved approximately 1-year of disposal capacity at the Wayne Township Landfill!
