Serving customers in the waste industry since 1972 , the Wayne Township Landfill is a PA DEP permitted municipal/residual waste disposal facility. WTL is not only an environmentally friendly establishment, but we are known for our professionalism and impeccable customer service.

In addition to waste disposal solutions, WTL operates a full fleet of diesel and CNG powered tractors, 100 yd walking floor trailers, roll-offs, and various size containers. Our skilled drivers and competent dispatchers are ready to handle your project, with only a phone call from you!

**Lower your
projects
total cost
per ton for
hauling and
disposal**
