**RECYCLE RIGHT CLINTON COUNTY** - The sustainability of our recycling program is dependent on collecting high quality materials without unacceptable materials or trash. We need your help, please do your part!

### Recycling Collection Guidelines

If someone in your household has been sick, is quarantined or has tested positive for COVID-19, please hold your recycling at home for one week before placing it at the curb or at one of our recycling drop-off sites.

Thank you all for your patience during this time, as we strive to keep our employees and customers safe and healthy.

### To Tarp or Not To Tarp?

According to Pennsylvania's waste regulations, in order to prevent scattering of litter on the highway, vehicles transporting loose garbage, waste, refuse or rubbish must be transported in a vehicle with four solid sides and with a cover or a top to prevent the load from escaping.

- If loose material is being hauled in an open vehicle, the load must be tarped.
- If material being hauled is in tied bags, but the bags extend above the side walls, it must be tarped.
- Bulky items that are not completely contained within the sidewalls of the vehicles must be strapped down or tarped.
- If the tarp is torn or not adequately tied, the load is not considered secure.
- When in doubt, tarp!

### Clinton County Residential Tire Collection Event

On September 11<sup>th</sup> and 12<sup>th</sup> the Authority held another Tire Collection Event. In addition to Clinton County residents, ten municipalities from Lycoming County were also invited to participate. The event was very successful. Over 500 residents participated. The event collected over 5,300 tires, bringing the total number of tires collected since 2003 to nearly 92,000 tires! Thank you to everyone who helped make this event a success.

### Plastic Bag Recycling Reminder

If you use plastic bags to shuffle your recyclables to the drop-off site, please empty your recyclables out of the plastic bag and take the bag with you. Plastic bags can be recycled at several large grocery stores in the County. If you have questions regarding our plastics recycling program, please feel free to call us!

## 20<sup>th</sup> Annual John B. Hoy, Jr. Memorial Charity Golf Tournament

The Wayne Twp. Landfill (WTL), which is owned and operated by the Clinton County Solid Waste Authority (CCSWA), recently held their 20<sup>th</sup> Annual John B. Hoy, Jr. Memorial Charity Golf Tournament at the Clinton Country Club. This tournament has raised over \$165,000 in the past 19 years, with each tournament benefitting 2-3 non-profit organizations in Clinton County. This year, the CCSWA Board of Directors decided to pick just one organization to be the beneficiary, with the idea that more money given to one organization would have a larger impact in helping our community.

This year's recipient was the **Salvation Army's Kids Café Children's Program**. The program offers an afterschool program for the underserved children in Lock Haven, providing tutoring, reading, character building activities and a healthy meal. This also allows The Salvation Army to assess the needs of the participating families and offer help through its other programs.

This year, the total raised for the Salvation Army was \$19,074. A special thank you goes out to Highway Equipment & Supply Company and Ryan Flood-Owner, for being our Platinum sponsor, and for also adding a last minute donation challenge that raised \$4,000 just before tee-off. We would also like to thank our other major sponsors: MIC Insurance, First Citizens Community Bank, J.J. Powell, Inc., eLoop, LLC, Glenn O. Hawbaker, and Allison Crane and Rigging. The generosity of these businesses, along with the support of our valued customers, vendors and friends who joined us for the day, allow us to be able to contribute to useful causes in our community.
