**RECYCLE RIGHT CLINTON COUNTY** - The sustainability of our recycling program is dependent on collecting high quality materials without unacceptable materials or trash. We need your help, so when in doubt throw it out!

#### **Household Hazardous Waste Collection Event Scheduled for August 23 & 24**

The Clinton County Solid Waste Authority will be holding a free two-day special event to collect Household Hazardous Waste (HHW) from Clinton County residents. Just bring your HHW to our Recycling Facility on Pine Mountain Road on August 23, from 8:00 am to 5:00 pm, & August 24, from 8:00 am to 1:00 pm. Due to regulatory requirements, this event is not open to commercial and industrial establishments.

Household Hazardous Waste is defined as any material containing ingredients that are corrosive, toxic, ignitable or reactive. Products such as insecticides, chemicals, cleaners and flammables contain potentially hazardous ingredients and require special care when you dispose of them.

Improper disposal of household hazardous waste can include pouring them down the drain, on the ground, into storm drains, or in some cases putting them out with the trash. The dangers of such disposal methods might not be immediately obvious, but improper disposal of these wastes can pollute the environment and pose a threat to human health.

Below is a listing of the materials accepted during this collection event.

**Pool Chlorine  
Paint Removal Products  
Pesticides  
Herbicides  
Mercury & Mercury Containing Devices**

**Auto Batteries  
Rechargeable Batteries  
Cleaners  
Aerosol Cans**

**Motor Oil  
Antifreeze  
Brake Fluid  
Fluorescent Bulbs**

Please note that latex or oil-based paint will not be accepted at this collection event.

Questions, please call us at 570-769-6977.

#### **PA Adopts Slow Down to Get Around Law**

Drivers who are distracted or going too fast are a major hazard for waste and recycling collection workers. Drivers are reminded to slow down and save lives of Pennsylvania workers while they are collecting waste and recycling materials along our roadways.

In October of 2018, PA adopted a new law requiring motorists approaching and passing a stationary solid waste collection vehicle or a recycling collection vehicle to reduce and maintain a safe speed for weather, road conditions and traffic in order to proceed with due care and caution. Being struck by a motorist is a leading cause of death for waste and recycling collection employees, but with proper awareness it is completely preventable.

### 2019 John B. Hoy Jr. Memorial Scholarship Recipient

Each year the Authority provides a \$1,000 scholarship to a fulltime high school senior or college freshman student residing in Clinton County. This year's John B. Hoy Jr. Memorial Scholarship recipient is Sam Bubb from Mill Hall. Sam is graduating in June from Central Mountain High School.

Sam is choosing to further his education in the Heavy Equipment Technician field. He feels that the opportunity to take vocational technical courses during his high school years was an asset in deciding a career path. Sam learned a lot of skills from the vocational classes. He enjoys working with his hands. Sam stated, "I take great pride in my major. I will enjoy doing it for the rest of my life."

### Curbside Recycling Application

Have you considered the convenience of curbside recycling? The Authority will stop by your home every two (2) weeks and pick up your recyclables for a nominal **annual fee of \$48** (\$4.00 per month). The materials we collect include: aluminum & tin cans, newspaper, magazines, junk mail, paperboard and plastic bottles & jugs (< 1 gallon in size). **(The Authority is under contract with the City of Lock Haven to provide this service to city residents. If you live in the City, please continue to put your recyclables out on your curbside on the regularly scheduled dates. If you need a recycling bin, call City Hall at 570-893-5900.)**

## Clinton County Residential Tire Collection Event

On May 17<sup>th</sup> and 18<sup>th</sup> the Authority held another Tire Collection Event. In addition to Clinton County residents, ten townships from Lycoming County were also invited to participate. The event was very successful. Over 500 residents participated from 26 of 29 County municipalities. The event collected over 5,300 tires, bringing the total number of tires collected since 2003 to nearly 86,000 tires! Thank you to everyone who helped to make this event a successful one.

### Curbside Recycling Notes

Recycling should be placed at the curbside by 7:00 a.m., ready for pick-up on that day.

**If your scheduled day of pick-up falls on a holiday, your recycling will be picked up on the next business day.**

If you have more recycling than your curbside bin will hold, the overflow can be placed in bags as long as the material is sorted, for example, plastic bottles in one bag, mixed paper in another bag, etc.

Thank you for keeping us organized!
