RECYCLE RIGHT CLINTON COUNTY - The sustainability of our recycling program is dependent on collecting high quality materials without unacceptable materials or trash. We need your help, please do your part!

Coronavirus (COVID-19)

The Clinton County Solid Waste Authority would like to give a big thank you to the medical personnel, first responders, grocery store workers, and other businesses and workers who have helped keep our community strong during this trying time.

With the return of residential curbside recycling on May 18th, the Wayne Township Landfill is back to full operation in regard to the services we provide. Currently, mulch transactions are now taking place at the Authority's administration building, just follow the signs. All customers must wear face masks in accordance with the PA Department of Health's Order.

Thank you all for your patience during this time, as we have strived to keep our employees and customers safe and healthy.

Recycling Opportunities for Lock Haven Residents

The City of Lock Haven provides free curbside recycling for all city residents. Materials should be placed in the green recycling bins, which should be placed at the curb by 7:00 a.m. on the day of your scheduled pick-up. Collection days are scheduled according to the recycling zone you live in. You may contact the City to get a refrigerator magnet with the collection schedule. If your collection day falls on a major holiday, your recycling will be picked up on the next business day.

When you have more recyclables than will fit in the green curbside bin, you may use another container, but the container should be clearly marked "Recycling" so the collection crew will know it contains recyclables.

The materials collected at the curb include: aluminum, steel & tin cans, newspaper, magazines, junk mail, paperboard (cereal boxes, six pack holders, etc.) and plastic bottles & jugs.

The City also provides a recycling drop-off site at the corner of East Park and Myrtle Street for the convenience of City Residents. In addition to the materials collected at the curb, corrugated cardboard is also collected at the drop-off site. Please remember to breakdown your boxes and remove any "non-corrugated cardboard" material from inside the box.

City commercial establishments and multi-family dwellings (4 units or more) are required by state law and city ordinance to recycle a minimum of three of the listed materials. Contact the City or the Wayne Township Landfill for assistance with your commercial recycling program.

If you need a recycling bin, a collection schedule, or have questions regarding recycling in the City, please contact City Hall at 570-893-5900 or visit the City's website at www.lockhavenpa.gov

Curbside Recycling Notes

Recycling should be placed at the curbside by 7:00 a.m., ready for pick-up on that day.

If your scheduled day of pick-up falls on a holiday, your recycling will be picked up on the next business day.

If you have more recycling than your curbside bin will hold, separate the material and mark the additional material "Recycling" so the recycling crew will know it contains recyclables.

Thank you for keeping us organized!
