RECYCLE RIGHT CLINTON COUNTY - The sustainability of our recycling program is dependent on collecting high quality materials without unacceptable materials or trash. We need your help, please do your part!

Household Hazardous Waste Collection Event Scheduled for August 20 & 21

PRE-REGISTRATION IS REQUIRED

Please visit our website at www.waynetwplandfill.com to register.

The Clinton County Solid Waste Authority will be holding a free two-day special event to collect Household Hazardous Waste (HHW) from Clinton County residents. As noted above, pre-registration is required for this event. Just bring your HHW to our Recycling Facility on Pine Mountain Road on August 20, from 12:00 noon to 5:00 pm, & August 21, from 8:00 am to 1:00 pm. Due to regulatory requirements, this event is not open to commercial and industrial establishments.

Household Hazardous Waste is defined as any material containing ingredients that are corrosive, toxic, ignitable or reactive. Products such as insecticides, chemicals, cleaners and flammables contain potentially hazardous ingredients and require special care when you dispose of them.

Improper disposal of household hazardous waste can include pouring them down the drain, on the ground, into storm drains, or in some cases putting them out with the trash. The dangers of such disposal methods might not be immediately obvious, but improper disposal of these wastes can pollute the environment and pose a threat to human health.

Below is a listing of the materials accepted during this collection event.

Pool Chlorine
Paint Removal Products
Pesticides
Herbicides
Mercury & Mercury Containing Devices

Auto Batteries
Rechargeable Batteries
Cleaners
Aerosol Cans

Motor Oil
Antifreeze
Brake Fluid
Fluorescent Bulbs

Please note that latex or oil-based paint will not be accepted at this collection event.

Questions, please call us at 570-769-6977.

Plastic Bag Recycling Reminder

If you use plastic bags to shuffle your recyclables to the drop-off site, please empty your recyclables out of the plastic bag and take the bag with you. Plastic bags can be recycled at several large grocery stores in the County. If you have questions regarding our plastics recycling program, please feel free to call us!

This edition of Clinton County Source is printed on 100% post-consumer waste recycled paper.

Curbside Recycling: An Overview

Below you will find a table that describes what we collect via our curbside recycling program. The table also outlines how to prepare the material for recycling and what materials are not accepted. For information regarding our municipal recycling drop-off sites please see page 4 or visit our website at www.waynetwpilandfill.com.

MATERIAL	WHAT CAN BE RECYCLED	HOW TO PREPARE FOR RECYCLING	WHAT CAN'T BE RECYCLED
Newspaper	Clean newspaper (including inserts).	Separate from mixed paper.	Wet or dirty newspaper.
Mixed Paper	Office paper, junk mail, phone books, magazines, catalogs, glossy paper.	Separate from newspaper.	Laminated or coated paper, tissue paper and paper towels.
Paperboard	Clean food boxes, paper towel rolls, shoe boxes, tissue boxes.	Include with mixed paper.	Milk cartons, juice cartons, ice cream containers and similar materials.
Cans	Aluminum, steel, & tin food and beverage cans.	Rinse, leave labels on.	Pie plates, aluminum foil, pesticide or herbicide spray cans.

Curbside Recycling Collection Notes:

- ◆ Recycling material should be placed at the curb by 7:00 am on the day of your scheduled pick-up.
- ◆ If you put out more recycling than fits in your blue or green recycling bin, please mark it "Recycling".
- ◆ If your pick-up day falls on a major holiday, your recycling material will be picked up on the next business day.

Curbside Recycling Application

Have you considered the convenience of curbside recycling? The Authority will stop by your home every two (2) weeks and pick up your recyclables for a nominal **annual fee of \$51** (\$4.25 per month). Annual fee will be prorated based on service start time.

The materials we collect include: aluminum & tin cans, newspaper, magazines, junk mail, paperboard and plastic bottles & jugs. (The Authority is under contract with the City of Lock Haven to provide this service to city residents. If you live in the City, please continue to put your recyclables out on your curbside on the regularly scheduled dates. If you need a recycling bin, call City Hall at 570-893-5900.)

Clinton County Residential Tire Collection Event

On May 14th and 15th the Authority held another Tire Collection Event. In addition to Clinton County residents, ten townships from Lycoming County were also invited to participate. The event was very successful. Over 400 residents participated from 27 of 29 County municipalities. The event collected over 4,800 tires, bringing the total number of tires collected since 2003 to nearly 96,000 tires! Thank you to everyone who helped to make this event a successful one.

Recycling Opportunities for Lock Haven Residents

The City of Lock Haven provides free curbside recycling for all city residents. Materials should be placed in the green recycling bins, which should be placed at the curb by 7:00 a.m. on the day of your scheduled pick-up. Collection days are scheduled according to the recycling zone you live in. You may contact the City to get a refrigerator magnet with the collection schedule. If your collection day falls on a major holiday, your recycling will be picked up on the next business day.

When you have more recyclables than will fit in the green curbside bin, you may use another container, but the container should be clearly marked "Recycling" so the collection crew will know it contains recyclables.

The materials collected at the curb include: aluminum, steel & tin cans, newspaper, magazines, junk mail, paperboard (cereal boxes, six pack holders, etc.) and plastic bottles & jugs.

The City also provides a recycling drop-off site at the corner of East Park and Myrtle Street for the convenience of City Residents. In addition to the materials collected at the curb, corrugated cardboard is also collected at the drop-off site. Please remember to breakdown your boxes and remove any "non-corrugated cardboard" material from inside the box.

City commercial establishments and multi-family dwellings (4 units or more) are required by state law and city ordinance to recycle a minimum of three of the listed materials. Contact the City or the Wayne Township Landfill for assistance with your commercial recycling program.

If you need a recycling bin, a collection schedule, or have questions regarding recycling in the City, please contact City Hall at 570-893-5612 or visit the City's website at www.lockhavenpa.gov

2021 John B. Hoy Jr. Memorial Scholarship Recipient

Each year the Authority provides a \$1,000 scholarship to a fulltime high school senior or college freshman student residing in Clinton County. This year's John B. Hoy Jr. Memorial Scholarship recipient is Alexis Strouse from Beech Creek. Alexis graduated in June from Central Mountain High School where she had been involved with many clubs and sports for the last 4 years.

Alexis is looking to advance her education in the field of architectural studies. Not only has Alexis done well with her schoolwork, she is also very creative and likes to design new things. Alexis has always been interested in engineering and building design and after completing a job shadow program with a licensed engineer, Alexis stated she "was able to neglect any doubts that I had moving forward". Clinton County Solid Waste Authority is happy to support Alexis and wishes her good luck with her future endeavors.
