2022

Summer

**RECYCLE RIGHT CLINTON COUNTY** - The sustainability of our recycling program is dependent on collecting high quality materials without unacceptable materials or trash. We need your help, please do your part!

## Mulch Season!

It's the time of year when we all want to get outside and get our yards cleaned up and looking nice for the summer. So we wanted to talk to you about our mulch process so you can make informed decisions about the mulch you choose for your landscaping needs. The Authority is the foremost producer of mulch for Clinton County and surrounding areas. We offer three colors of mulch, dyed brown, dyed black and natural. Our mulch is double ground to insure the pristine landscaping look and attributes that mulch should have.

The natural mulch is produced from recycled materials brought into our facility free of charge. These materials include, brush and yard waste along with clean wood (no paint/no stain/no treatment). Once we receive the material we grind it and place it in piles approximately 50 feet wide and 20 feet high. When the pile is fully established, we saturate the pile with fresh water. As the water trickles through the pile it leaches out the tannins in the wood, turning the water dark brown. The water is then collected and recirculated back through the pile. As this water is recirculated it naturally turns the mulch dark brown.

The mulch piles must also be turned throughout the composting process. At least once a month the mulch piles are turned and possibly more often if it appears the material is composting faster. After the mulch has composted to the desired consistency, the pile must then meet temperature requirements. At this point, the piles are required to maintain a temperature of between 113-140 degrees Fahrenheit for a minimum of 72 hours. This temperature requirement assures that weed seeds, fungus and molds, which naturally occur in the wood, are destroyed. Once all of these requirements are met the mulch is ground a second time and is now ready to be sold.

The dyed brown and dyed black mulch are produced from pallet material because the wood is already dried. The material is ground and dyed. Then it sits for 3 days to allow for color adherence. The mulch is then ground and dyed again. The dye is a biodegradable water based dye, therefore it is not harmful to the plants in your garden or landscape.

Undecided on which product to purchase, please feel free to stop by and checkout our mulch piles! Happy Landscaping!

## Plastic Bag Recycling Reminder

If you use plastic bags to shuffle your recyclables to the drop-off site, please empty your recyclables out of the plastic bag and take the bag with you. Plastic bags can be recycled at several large grocery stores in the County. If you have questions regarding our plastics recycling program, please feel free to call us!

## Curbside Recycling: An Overview

Below you will find a table that describes what we collect via our curbside recycling program. The table also outlines how to prepare the material for recycling and what materials are not accepted. For information regarding our municipal recycling drop-off sites please see page 4 or visit our website at [www.waynetwpilandfill.com](http://www.waynetwpilandfill.com).

MATERIAL	WHAT CAN BE RECYCLED	HOW TO PREPARE FOR RECYCLING	WHAT CAN'T BE RECYCLED
Newspaper	Clean newspaper (including inserts).	Separate from mixed paper.	Wet or dirty newspaper.
Mixed Paper	Office paper, junk mail, phone books, magazines, catalogs, glossy paper.	Separate from newspaper.	Laminated or coated paper, tissue paper and paper towels.
Paperboard	Clean food boxes, paper towel rolls, shoe boxes, tissue boxes.	Include with mixed paper.	Milk cartons, juice cartons, ice cream containers and similar materials.
Cans	Aluminum, steel, & tin food and beverage cans.	Rinse, leave labels on.	Pie plates, aluminum foil, pesticide or herbicide spray cans.
Plastic Bottles & Jugs	Plastic bottles & jugs, coded #1 - #7	Rinse, remove lids, leave labels on.	Toys, motor oil or chemical bottles.

### Curbside Recycling Collection Notes:

- ◆ Recycling material should be placed at the curb by 7:00 am on the day of your scheduled pick-up.
- ◆ If you put out more recycling than fits in your blue or green recycling bin, please mark it "Recycling".
- ◆ If your pick-up day falls on a major holiday, your recycling material will be picked up on the next business day.

## Curbside Recycling Application

Have you considered the convenience of curbside recycling? The Authority will stop by your home every two (2) weeks and pick up your recyclables for a nominal **annual fee of \$60** (\$5.00 per month). Annual fee will be prorated based on service start time.

The materials we collect include: aluminum & tin cans, newspaper, magazines, junk mail, paperboard and plastic bottles & jugs. (The Authority is under contract with the City of Lock Haven to provide this service to city residents. If you live in the City, please continue to put your recyclables out on your curbside on the regularly scheduled dates. If you need a recycling bin, call City Hall at 570-893-5900.)

## Recycling Opportunities for Lock Haven Residents

Working closely with Wayne Township Landfill, the City of Lock Haven is pleased to be able to offer FREE curbside recycling to all City Residents. Lock Haven has three separate collection zones, with pick up days every other Friday, Tuesday, and Wednesday, depending on the collection zone. Materials that can be collected in your curbside recycling bin include: Paper (Newsprint, junk mail, magazines, office paper, and paper board), Aluminum beverage containers, Plastics bottles & jugs, number 1-7, and steel/tin food and beverage containers. Please remember to keep your newsprint separate from the other types of paper. Magnets with the recycling schedule will be distributed at the beginning of each year in your recycling bins on your scheduled pickup day. If you don't get a magnet or need an additional magnet, please stop in City Hall to pick one up. In addition to magnets, any City resident can pick up a recycling bin at City Hall, 20 E Church St, between 8:30 a.m. and 4:30 p.m. Monday through Friday.

If you miss your collection day, don't worry! In addition to curbside pickup, residents can take recycling to the Myrtle Street Recycling Drop-Off Center, located at 100 Myrtle Street. In addition to the materials listed above, residents can drop off clean corrugated cardboard at the Myrtle Street Recycling Center. Glass **IS NOT** accepted for recycling.

If you have any questions about recycling in the City of Lock Haven, please contact Kasey Campbell at 570-893-5612, or visit the City's website at [www.lockhavenpa.gov/recycling](http://www.lockhavenpa.gov/recycling).

2022

### Clinton County Residential Tire Collection Event

On May 13<sup>th</sup> and 14<sup>th</sup> the Wayne Township Landfill held another Tire Collection Event. In addition to Clinton County residents, ten townships from Lycoming County were also invited to participate. The event was very successful. Over 600 residents participated from 27 of 29 County municipalities. The two day event collected over 5,800 tires, bringing the total number of tires collected since 2003 to nearly 102,000 tires! We would like thank everyone who helped to make this event a successful one, especially our friends from H2O Express!

### 2022 John B. Hoy Jr. Memorial Scholarship

Each year the Authority provides a \$1,000 scholarship to a fulltime high school senior or college freshman student residing in Clinton County. This year's John B. Hoy Jr. Memorial Scholarship recipient is Emery Gunsallus. Emery graduated in June from Central Mountain High School.

Emery is looking to advance his education in the field of welding and will be attending Pennsylvania College of Technology for Welding Technology. The Clinton County Solid Waste Authority is happy to support Emery and wishes him the best of luck with his future endeavors.

---

**RECYCLING FACT: 37-Percent (or 18,000 tons) of the municipal waste generated in Clinton County was recycled in 2021!**

---

### Other Important News!!!

- ◆ The cost for using WTL **Self-Dump** is \$25 for a single load and \$40 for a double or oversize load. Please remember to tarp and secure your load.
  - ◆ Are you ready for some DIY landscaping? Our #1 regular mulch is \$22 per yard. Want a little color in your yard? Choose dyed black or brown mulch for \$28 per yard. Call our office for delivery options.
  - ◆ We accept tires at the landfill everyday. The cost is \$3.00 per car/light truck tire for Clinton County residents.
  - ◆ City of Lock haven has an ordinance which requires all commercial entities to recycle at least 3 materials. Please contact us to get set up. We have a program to fit your budget.
  - ◆ Please visit the **WTL's website**, [www.waynetwplandfill.com](http://www.waynetwplandfill.com), for updated information on recycling, the landfill and other events.
  - ◆ **Educational Tours** for all ages are available by appointment. Please call 570-769-6977 to schedule a tour.
  - ◆ **Clinton County residents** with appliances containing Freon can bring them to WTL free of charge.

### Clinton County Solid Waste Authority 2022 Board Meeting Schedule

Meetings begin at 6:30 pm unless otherwise publicized.  
Meeting agendas can be found on our website.

- July 13
- August 10
- September 14
- October 12
- November 9
- December 14

### Clinton County Solid Waste Authority Board of Directors

- Chairperson - Terry L. Weaver
- Vice Chairperson - Ernest F. Peterson
- Secretary - Linda M. Leonard
- Treasurer - Fred E. Beury
- Asst. Sec/Treas. - Bruce W. Peters
- Board Member - James S. Lovette
- Board Member - Brian J. Hoy
- Board Member - James H. Maguire, Sr.
- Board Member - James A. Russo
- Commissioner Liaison - Angela Harding

This publication is partially funded by Act 101 Recycling Grant through the Pennsylvania Department of Environmental Protection.

# CURBSIDE RECYCLING

## ALUMINUM, STEEL, AND TIN CANS

- Rinse containers
- Labels are acceptable

## MIXED PAPERS, JUNK MAIL, MAGAZINES, PAPERBOARD, AND NEWSPAPER

- All mixed papers, junk mail, magazines, catalogs, and paperboard are acceptable
- DRY papers only
- No laminated or oily paperboard
- Keep newspaper separated

## PLASTIC BOTTLES AND JUGS

- #1-#7 plastic bottles and jugs ONLY
- Rinse containers
- Labels are acceptable
- Remove lids and caps

## The DON'Ts of Recycling

- |                            |                             |
|----------------------------|-----------------------------|
| ✗ NO GLASS                 | ✗ NO aluminum foil          |
| ✗ NO Styrofoam             | ✗ NO tissue or paper towels |
| ✗ NO household batteries   | ✗ NO motor oil containers   |
| ✗ NO plastic Bags          | ✗ NO toys                   |
| ✗ NO milk or juice cartons | ✗ NO pesticide containers   |

### Hours of Operation

Monday-Friday: 7AM-4PM  
Saturday: 7AM-12PM

# COMMERCIAL RECYCLING

## ALUMINUM, STEEL, AND TIN CANS

- Rinse containers
- Labels are acceptable
- Place in properly labeled cart

## MIXED PAPERS, JUNK MAIL, MAGAZINES, PAPERBOARD, AND NEWSPAPERS

- All mixed papers, junk mail, magazines catalogs, and paperboard are acceptable
- DRY papers only
- No laminated or oily paperboard
- Place inside properly labeled cart

## CORRUGATED CARDBOARD

- Flatten ALL boxes
- Place flattened boxes alongside carts or in provided dumpsters

## PLASTIC BOTTLES AND JUGS

- #1-#7 plastic bottles and jugs ONLY
- Rinse containers
- Labels are acceptable
- Remove lids and caps
- Place in properly labeled container

## The DON'Ts of Recycling

- |                            |                             |
|----------------------------|-----------------------------|
| × NO GLASS                 | × NO aluminum foil          |
| × NO Styrofoam             | × NO tissue or paper towels |
| × NO household batteries   | × NO motor oil containers   |
| × NO plastic Bags          | × NO toys                   |
| × NO milk or juice cartons | × NO pesticide containers   |
