RECYCLE RIGHT CLINTON COUNTY - The sustainability of our recycling program is dependent on collecting high quality materials without unacceptable materials or trash. We need your help, please do your part!

Household Hazardous Waste Collection Event - Saturday July 8th

The Clinton County Solid Waste Authority (SWA) will be holding a free ONE-day special event to collect Household Hazardous Waste (HHW) from Clinton County residents. Bring your HHW to our Recycling Facility on Pine Mountain Road on Saturday July 8 from 8:00 am to 2:00 pm. Due to regulatory requirements, this event is not open to commercial and industrial establishments.

HHW is defined as any material containing ingredients that are corrosive, toxic, ignitable or reactive. Products such as insecticides, chemicals, cleaners and flammables contain potentially hazardous ingredients and require special care when you dispose of them.

Below are examples of the materials accepted during this collection event:

- Pool Chlorine • Auto Batteries • Motor Oil • Paint Removal Products • Rechargeable Batteries
- Antifreeze • Pesticides • Cleaners • Brake Fluid
- Herbicides • Aerosol Cans • Fluorescent Bulbs
- Mercury & Mercury Containing Devices

Please call us at 570-769-6977 if you have any questions.

Glass Bottle & Jar Recycling

The SWA is now accepting glass bottles and jars at the SWA's recycling facility in Wayne Township. Glass bottles and jars only can be dropped off during normal business hours, Monday - Friday 7:00 am to 4:00 pm and Saturday 7:00 am to 12:00 pm. Glass bottles & jars are not accepted at the curb or the other county recycling drop-off sites.

NO GLASSWARE, CERAMICS, WINDOW GLASS, LIGHT BULBS, WINDSHIELDS, PYREX, OR SIMILAR ITEMS ARE ACCEPTED!

Residential Battery Recycling Program

The SWA is now accepting rechargeable and single-use batteries, in addition to lead-acid vehicle batteries, at the SWA's recycling facility in Wayne Township. Electric car or EV batteries and electric bike or e-bike batteries are not included in this recycling program. This is a free service to residents of Clinton County. Residential batteries can be dropped off during normal business hours, Monday - Friday 7:00 am to 4:00 pm and Saturday 7:00 am to 12:00 pm. Business's are not eligible to participate in this program.

Curbside Recycling: An Overview

Below you will find a table that describes what we collect via our curbside recycling program. The table also outlines how to prepare the material for recycling and what materials are not accepted. For information regarding our municipal recycling drop-off sites please see page 4 or visit our website at www.waynetwpilandfill.com.

Curbside Recycling Collection Notes:

- ◆ Recycling material should be placed at the curb by 7:00 am on the day of your scheduled pick-up.
- ◆ If you put out more recycling than fits in your blue or green recycling bin, please mark it "Recycling".
- ◆ If your pick-up day falls on a major holiday, your recycling material will be picked up on the next business day.

Curbside Recycling Application

Have you considered the convenience of curbside recycling? The Authority will stop by your home every two (2) weeks and pick up your recyclables for a nominal **annual fee of \$72** (\$6.00 per month). Annual fee will be prorated based on service start time.

The materials we collect include: aluminum & tin cans, newspaper, magazines, junk mail, paperboard and plastic bottles & jugs. (The Authority is under contract with the City of Lock Haven to provide this service to city residents. If you live in the City, please continue to put your recyclables out on your curbside on the regularly scheduled dates. If you need a recycling bin, call City Hall at 570-893-5900.)

Manure & Leaf Compost at WTL!

Compost is the safest way to boost the integrity of your soil for growing plants, whether it be grass, vegetables or flowers. WTL offers 2 types of compost, Manure Compost and Leaf Compost. Each type of compost starts out with approximately 60% decomposed landscape mulch and then 40% of either manure or leaves is added. Each type of compost goes through multiple heat cycles until the compost reaches ~140⁰ F for 3 consecutive days. These heat cycles ensure that mold, fungi, spores, and insects are eliminated. Compost builds healthy soil, increases organic content, helps to prevent soil erosion, conserves water and improves plant growth in your gardens. Be sure to stop in and get your garden a boost! We are also able to deliver this material.

Attention Horse Owners: The WTL is actively seeking horse manure to start next year's manure compost. We accept the manure at no charge. If you do not have a way to bring it to our facility, contact us and we will gladly make arrangements to pick it up (you load) for a nominal charge.

2023 Clinton County Residential Tire Collection Event

On May 12th and 13th the Wayne Township Landfill held another Tire Collection Event. In addition to Clinton County residents, ten municipalities from Lycoming County were also invited to participate. The event was very successful. Over 600 residents participated from 25 of 29 County municipalities. The two day event collected over 6,300 tires, bringing the total number of tires collected since 2003 to over 108,000 tires! We would like thank everyone who helped to make this event a successful one, especially our friends from H2O Express!

Plastic Bag Recycling Reminder

If you use plastic bags to shuffle your recyclables to the drop-off site, please empty your recyclables out of the plastic bag and take the bag with you. Plastic bags can be recycled at several large grocery stores in the County.

If you have questions regarding our plastics recycling program, please feel free to call us!

RECYCLING FACT: 39-Percent (or 18,000 tons) of the municipal waste generated in Clinton County was recycled in 2022!
