### John B. Hoy, Jr. Memorial Scholarship

Karli Coleman has been selected by the Clinton County Solid Waste Authority (CCSWA) as the recipient of the \$1,000.00 John B. Hoy, Jr. Memorial Scholarship for the 2016 school year. The CCSWA scholarship was established to recognize and encourage students that have achieved positive academic records.

Karli graduated from Central Mountain High School. She is enrolled this fall in the bachelor's degree nursing program at Pennsylvania College of Technology. Her goal is to become a nurse practitioner and to make a difference by providing healthcare for the local community.

In the picture from the left: Terry Weaver, CCSWA Board of Directors' chairperson, Karli Coleman, CCSWA scholarship recipient, and General Manager Jay Alexander.

### Recycling Opportunities Lock Haven Residents

The City of Lock Haven provides free curbside recycling for all city residents.

Materials should be placed in the green recycling bins, which should be placed at the curb by 7:00 a.m. on the day of your scheduled pick-up. Collection days are scheduled according to the recycling zone you live in. You may contact the City to get a refrigerator magnet with the collection schedule. If your collection day falls on a major holiday, your recycling will be picked up on the next business day.

When you have more recyclables than will fit in the green curbside bin, you may use another container, but the container should be clearly marked "Recycling" so the collection crew will know it contains recyclables.

The materials collected at the curb include: aluminum & tin cans, newspaper, magazines, junk mail, paperboard (cereal boxes, six pack holders, etc.) and plastic containers, coded #1 thru #7 (1 gallon or smaller).

The City also provides a recycling drop-off site at the corner of East Park and Myrtle Street for the convenience of City Residents. In addition to the materials collected at the curb, corrugated cardboard is also collected at the drop-off site. Please remember to breakdown your boxes and remove any "non-corrugated cardboard" material from inside the box.

City commercial establishments and multi-family dwellings (4 units or more) are required by state law and city ordinance to recycle a minimum of three of the listed materials. Contact the City or the Wayne Township Landfill for assistance with your commercial recycling program.

If you need a recycling bin, a collection schedule, or have questions regarding recycling in the City, please contact City Hall at 570-893-5900 or visit the City's website at [www.lockhavenpa.gov](http://www.lockhavenpa.gov).

**SAVE THE DATE!** FREE Household Hazardous Waste (HHW) Collection Event  
August 11 & 12, 2017

Check our website for event updates!

*This edition of Clinton County Source is printed on 100% post-consumer waste recycled paper.*

Dear Clinton County Residents,

In an effort to reduce waste going into the landfill and to promote recycling, the Wayne Township Landfill is accepting clean wood waste free of charge. Examples of what qualifies as wood waste is brush and yard waste, logs, untreated construction lumber, wood pallets, wood chips, stumps or cleanup projects such as land clearing waste. This is a waste that can create a problem on your site, causing all sorts of issues from blocked access points to trip hazards or unsightly piles for years to come. Even if it is just a big pile that you see in your daily travels, we would be interested in assisting to remove it.

When you bring us your wood waste, we are partnering together in a sustainable green recycling partnership. All the incoming material that we receive from our customers is being recycled into an efficient, clean product such as a high quality mulch product, sawdust material, or compost material. We also offer hauling and loading services for these piles and can help get them cleaned up, resolving your wood waste dilemma and boosting recycling of these products. If you would like to schedule trucks please contact our dispatcher, Kevin Berguson, at [kevin@waynetwplandfill.com](mailto:kevin@waynetwplandfill.com) or 570-786-9466.

The Wayne Township Landfill is also available to assist businesses and industries with their solid waste management decisions. This can range from the performance of waste audits or reviews to the completion of DEP required disposal forms. If you would like further information, feel free to visit our website, [www.waynetwplandfill.com](http://www.waynetwplandfill.com), or don't hesitate to call or email at your earliest convenience, 570-769-6977 or [ccswa@waynetwplandfill.com](mailto:ccswa@waynetwplandfill.com).

The Wayne Township Landfill appreciates your business.

We look forward to serving you in 2017. We wish everyone a Merry Christmas and Happy New Year.

*Jay Alexander*

**Your Holiday Recycling Checklist!**

- ✓ Deliver my real Christmas tree free of charge to the landfill. Remember to remove any trimmings and tinsel!!!
- ✓ Place my used holiday cards and **non-metallic** wrapping paper in the junk mail/office paper compartment at a local recycling drop off site or for curbside pick up.
- ✓ Take my corrugated cardboard boxes, which I broke down or flattened, to a local recycling drop-off site.

**Curbside Recycling Application**

Have you considered the convenience of curbside recycling? The Authority will stop by your home every two (2) weeks and pick up your recyclables for a nominal **annual fee of \$42** (\$3.50 per month). The materials we collect include: aluminum & tin cans, newspaper, magazines, junk mail, paperboard and plastic containers (< 1 gallon in size). **(The Authority is under contract with the City of Lock Haven to provide this service to city residents. If you live in the City, please continue to put your recyclables out on your curbside on the regularly scheduled dates. If you need a collection bin, call City Hall at 570-893-5900.)**

## WTL Scholarship at Pennsylvania College of Technology

Dustin Hopkins received the Wayne Township Landfill Scholarship offered at Pennsylvania College of Technology for academic year 2016 / 2017. Dustin is a sophomore in the Diesel Technology program.

Wayne Township Landfill (WTL) provides two scholarships, \$1,000 each, to students of Clinton or Lycoming counties who are enrolled as a full-time student at Penn College in a heavy equipment or diesel associate degree program.

## Annual Golf Tournament Fundraiser

In September Wayne Township Landfill (WTL) held its 16th annual John B. Hoy, Jr. Memorial Charity golf tournament. The tournament raised \$10,400 for two local charities, In Your Shoes and the Clinton County Shrine Club, with each organization receiving \$5,200. Since inception the annual tournament has generated over \$130,000 to local charitable organizations which benefit the residents of Clinton County.

In the picture on the left is Jon Conklin with In Your Shoes and in the picture on the right is Doug Bush and William Vonada with Clinton County Shrine Club. Presenting the checks are Terry Weaver, Clinton County Solid Waste Authority Board of Director's Chairperson, and General Manager Jay Alexander.
