Electronics Recycling

Certain types of electronic devices have been banned from landfill disposal by the **Pa Department of Environmental Protection**. The affected devices are listed below:

Televisions
Computer Monitors
Computer Towers/Laptops/Tablets
Printers/Scanners
Computer Peripherals (e.g., keyboards, mice, computer speakers)

The Solid Waste Authority has a program in place for County residents to drop-off these items for recycling, but starting on January 1, 2018 this service will no longer be provided at no charge due to rising operational costs associated with recycling these electronic devices.

In addition, the material will no longer be accepted at the Authority's Recycling Center on Pine Mountain Road, in Wayne Township. Anyone wishing to recycle their "banned" electronic devices will need to deliver the material to the Landfill weigh station located at the end of Landfill Lane. The banned material fees are outlined below:

Televisions - \$20 each
Computer Monitors - \$20 each
Computers Towers/Laptops/Tablets - \$10 each
Printers/Scanners - \$10 each

International SWANA Road-e-o Winners

Four Wayne Township Landfill employees competed in the heavy equipment and truck Solid Waste Association of North America (SWANA) International Road-e-o that was held in Florida on October 28. Cole Alexander placed 1st in the loader, Dave Kessling placed 1st in the dozer, Cody Alexander placed 2nd in the compactor and Eric Dixon, Sr. placed 5th in the roll-off truck. The SWANA International Road-e-o is an annual competition that gives 1st and 2nd placed regional Road-e-o winners from across the United States and North America the opportunity to compete for trophies, and for the best of the best, the title of Top Gun.

Plastic Bottle and Jug Recycling

As most of you know the Authority expanded the plastic bottles and jugs recycling program to include bottles and jugs coded #1 through #7's. These types of containers must be a gallon or less in size to be placed out for the curbside recycling program. If you have plastic bottles and jugs that are larger than 1 gallon in size, you can take those containers to one of our many recycling drop-off sites located throughout the county.

We also wanted to take this opportunity to remind residents that there are plastic items that may be coded correctly, but do not meet the bottle or jug criteria, such as:

- clam shell 'polystyrene' containers which restaurants use for takeout
- black plastic flower pots
- laundry baskets
- lawn chairs
- toys of any size
- plastic bags
- motor oil & pesticide containers

If you use plastic bags to shuffle your recyclables to the drop site, please empty your recyclables out of the plastic bag and take the bag with you. Plastic bags can be recycled at several large grocery stores in the County. If you have questions regarding our plastics recycling program, please feel free to call us.

To Tarp or Not To Tarp?

According to Pennsylvania's waste regulations, in order to prevent scattering of litter on the highway, vehicles transporting loose garbage, waste, refuse or rubbish must be transported in a vehicle with four solid sides and with a cover or a top to prevent the load from escaping.

- If loose material is being hauled in an open vehicle, the load must be tarped.
- If material being hauled is in tied bags, but the bags extend above the side walls, it must be tarped.
- Bulky items that are not completely contained within the sidewalls of the vehicles must be strapped down or tarped.
- If the tarp is torn or not adequately tied, the load is not considered secure.
- When in doubt, tarp!

Curbside Recycling Application

Have you considered the convenience of curbside recycling? The Authority will stop by your home every two (2) weeks and pick up your recyclables for a nominal **annual fee of \$42** (\$3.50 per month). The materials we collect include: aluminum & tin cans, newspaper, magazines, junk mail, paperboard and plastic containers (< 1 gallon in size). **(The Authority is under contract with the City of Lock Haven to provide this service to city residents. If you live in the City, please continue to put your recyclables out on your curbside on the regularly scheduled dates. If you need a collection box, call City Hall at 570-893-5900.)**

2017 John B. Hoy Jr. Memorial Scholarship Recipient

Each year the Authority provides a \$1,000 scholarship to a fulltime high school senior or college freshman student residing in Clinton County.

This year's scholarship recipient is Jeremiah Hoy, a current freshman at Lock Haven University studying Biology —Chemistry / Medical Technology. Jeremiah came interested in robotics during his school's engineering class at Keystone Central School District (KCSO) and while competing with Skills USA. His passion is to be a biomedical engineer with a hands on approach to designing prosthetics.

During the summer of 2016, Jeremiah also had the opportunity to participate in the German American Exchange Program where he experienced a different educational environment.

Wayne Township Landfill John B. Hoy, Jr. Memorial Charity Golf Tournament

The Authority would like to take this opportunity to thank all of the participants and sponsors of this year's tournament which raised \$11,600.00 total to be divided for 3 local organizations. The monies were given to the **Clinton County Special Olympics** to support children and adults with special needs; the **Horses of Hope**, to support the Heroes and Horses program; and **The Lock Haven VFW**, to support veterans of all generations. Congratulations to everyone involved.

The Authority has been truly blessed with loyal customers, vendors and friends which have allowed us to donate over \$142,000 to local charities in our neighborhood over the course of the last 17 years. Thank you! If your organization is interested in being a beneficiary of our tournament for 2018, please feel free to contact us at 570-769-6977 or look for our ad in the Express and the Record for letters of interest in April of 2018.

Curbside Recycling Notes

Recycling should be placed at the curbside by 7:00 a.m. so it is ready for pick-up on that day.

If your pick-up day falls on a holiday, your recycling will be picked up the next business day.

If you have more recycling than will fit in the curbside bin, mark the additional material "Recycling" so the employees will know it contains recyclables.

Thank you for keeping us organized!
