### Residential Battery Recycling Program

As you know several fires have recently broke out at surrounding landfills and recycling centers in our area. Batteries containing metals such as lithium and nickel can spark and explode when damaged. This causes fires in the garbage and recycling. These types of problems are on the rise. Please help us keep your local landfill a safe place to do business!

Our goal is to provide a system to help keep batteries out of the trash, which in turn helps to minimize the potential for fires in trash trucks and the landfill. This is a **free service** to residents of Clinton County. Businesses are not eligible to use this program.

See below for instructions on how to prepare your batteries:

- Place each individual battery in a small plastic bag. We do not accept multiple batteries in one plastic bag.
- You may also use black electrical tape, duct tape or packaging tape to cover the ends of the battery with the terminal.
- Do not use masking tape, scotch tape, or painter's tape.

**Electric vehicle or EV batteries and electric bike or e-bike batteries are NOT included in this recycling program.**

Residential batteries can be dropped off during normal business hours, Monday thru Friday 7:00 am to 4:00 pm and Saturday 7:00 am to 12 Noon, at the Authority's recycling center located at 337 Pine Mountain Road in McElhattan.

#### Household Hazardous Waste

Our Household Hazardous Waste Collection Event was held on July 26<sup>th</sup>, 2025. The one day event was open to all Clinton County residents and Lycoming County residents whose township borders Clinton County free of charge. Over 7,500 pounds of material was collected including 1,123 pounds of batteries. The Household Hazardous Waste Collection Event was a success and our next event is planned for 2027.

#### 2025 Wayne Township Landfill John B. Hoy, Jr. Memorial Charity Golf Tournament

The Authority would like to take this opportunity to thank all participants and sponsors of this year's tournament which raised \$28,000 for the **Horses of Hope, Western Clinton County Recreation Authority and Boxes of Hope**. Congratulations to everyone involved. The Authority has been truly blessed with loyal customers, vendors and friends which have allowed us to donate over \$302,000 to local charities in our neighborhood since 2001. Thank you! If your organization is interested in being a beneficiary of our tournament for 2026, please feel free to contact us at 570-769-6977 or watch our Facebook page for updates.

## Curbside Recycling: An Overview

Below you will find a table that describes what we collect via our curbside recycling program. The table also outlines how to prepare the material for recycling and what materials are not accepted. For information regarding our municipal recycling drop-off sites please see page 4 or visit our website at [www.waynetwpilandfill.com](http://www.waynetwpilandfill.com).

MATERIAL	WHAT CAN BE RECYCLED	HOW TO PREPARE FOR RECYCLING	WHAT CAN'T BE RECYCLED
<b>Newspaper</b>	Clean newspaper (including inserts).	Separate from mixed paper.	Wet or dirty newspaper.
<b>Mixed Paper</b>	Office paper, junk mail, phone books, magazines, catalogs, glossy paper.	Separate from newspaper.	Laminated or coated paper, tissue paper and paper towels.
<b>Paperboard</b>	Clean food boxes, paper towel rolls, shoe boxes, tissue boxes.	Include with mixed paper.	Milk cartons, juice cartons, ice cream containers and similar materials.
<b>Cans</b>	Aluminum, steel, & tin food and beverage cans.	Rinse, leave labels on.	Pie plates, aluminum foil, pesticide or herbicide spray cans.
<b>Plastic Bottles &amp; Jugs - ONLY</b>	Plastic bottles & jugs, coded #1 - #7	Rinse, remove lids, leave labels on.	Toys, motor oil or chemical bottles.

### Curbside Recycling Collection Notes:

- ◆ Recycling material should be placed at the curb by 7:00 am on the day of your scheduled pick-up.
- ◆ If you put out more recycling than fits in your blue or green recycling bin, please mark it "Recycling".
- ◆ If your pick-up day falls on a major holiday, your recycling material will be picked up on the next business day.

## Curbside Recycling Application

Have you considered the convenience of curbside recycling? The Authority will stop by your home every two (2) weeks and pick up your recyclables for a nominal **annual fee of \$102** (\$8.50 per month). Annual fee will be prorated based on service start time.

The materials we collect include: aluminum & tin cans, newspaper, magazines, junk mail, paperboard and plastic bottles & jugs. (The Authority is under contract with the City of Lock Haven to provide this service to city residents. If you live in the City, please continue to put your recyclables out on your curbside on the regularly scheduled dates. If you need a recycling bin, call City Hall at 570-893-5900.)

## Manure & Leaf Compost at WTL!

Compost is the safest way to boost the integrity of your soil for growing plants. Whether it be grass, vegetables or flowers. WTL offers 2 types of compost: Manure Compost and Leaf Compost. Each compost starts out with approximately 60% decomposed landscape mulch and then 40% other manure or leaves is added. Each type of compost goes through multiple heat cycles until the compost reaches ~140° F for 3 consecutive days. These heat cycles ensure that mold, fungi, spores, and insects are eliminated. Compost builds healthy soil, increases organic content, helps to prevent soil erosion, conserves water and improves plant growth in your gardens. Be sure to stop in and get your garden a boost!

**We can deliver this material, mulch, and more. Call us at 570-769-6977 to schedule!**

**FROM THE GENERAL MANAGER:** As we wrap up 2025, the team at WTL can proudly say we've been challenged to the maximum — and we've risen to the occasion. Safety, Compliance, and Profitability remain the core values that guide everything we do, and we are pleased to report strong success in all three areas this year.

Supporting our customers with their compliance needs requires tremendous effort, especially as regulations continue to evolve. It's a moving target, but our team has remained focused, responsive, and proactive in delivering the services our customers rely on. From curbside recycling programs to managing waste through our three partner transfer stations in Mifflin, Luzerne, and Northumberland Counties, we've continued to provide dependable, high-quality solutions for every community we serve.

I want to extend a sincere thank-you to our dedicated employees, whose hard work and commitment make our success possible. I'm also grateful to our Board of Directors, who give generously of their time and expertise to ensure this Company continues to be an asset to the region. To our customers, thank you for trusting us to provide safe, long-term, and economical solutions to your waste and recycling needs. And to the public who interacts with us every day, we appreciate your support and partnership.

Thank you all — and here's to great things ahead for everyone in 2026.

### Other Important News!

- ◆ The cost for using WTL Self-Dump is \$30 for a single load and \$50 for a double or oversize load. Please remember to tarp and secure your load.
- ◆ Are you ready for some DIY landscaping? Our #1 regular mulch is \$22 per yard. Want a little color in your yard? Choose dyed black or brown mulch for \$29 per yard. Call our office for delivery options!
- ◆ We accept yard waste free of charge for Clinton County Residents
- ◆ We accept tires at the landfill everyday. The cost is \$3.00 per car/light truck tire for Clinton County residents.
- ◆ City of Lock haven has an ordinance which requires all commercial entities to recycle at least 3 materials. Please contact us to get set up. We have a program to fit your budget!
- ◆ WTL's website, [www.waynetwplandfill.com](http://www.waynetwplandfill.com), check for information on recycling, the landfill and other events!
- ◆ Educational Tours for all ages are available by appointment. Please call 570-769-6977 to schedule a tour.
- ◆ Clinton County residents with appliances containing Freon can bring them to WTL free of charge.

By recycling, **Clinton County** residents have saved

**345,816** CYD's of airspace!

That is almost **1 YEAR** of landfill space! We have 27 years of landfill space remaining!

## DEP's goal is 35%

Clinton County Recycling History:

Clinton Co. Score	Year	Tons Recycled
36.0%	2020	15,824.86
36.7%	2021	17,828.25
38.3%	2022	17,870.47
35.6%	2023	15,785.09
38.6%	2024	18,362.12

**We have hit the goal every year since 2008**
